

Driving Directions to Clark University:

From the Massachusetts Turnpike: Take I-90 (Massachusetts Turnpike) to Exit 10 (290 East, Auburn/Worcester). Take Exit 11 (College Square/Federal Square) off 290. Go straight, following sign for Federal Square/Downtown. At second traffic light take a left onto Cambridge Street (St. Matthew's Church on left and Culpeppers Bakery on right). Go one mile to the end of Cambridge Street. Take a sharp right onto Main Street. See map for parking locations in Clark commuter parking lots. Campus police will be aware of the workshop and a permit is not needed. Street parking is also normally available. The Complex Fluids Workshop will be held in the Sackler Science Center.

Train/Bus:

Worcester's train station is approximately three miles from campus. It is serviced by Amtrak and the MBTA Commuter Rail from Boston. Worcester's bus station is serviced by Greyhound and Peter Pan. A taxi will take you to Clark from the Worcester bus depot or train station for about \$7-9. Two local taxis are Yellow Cab at 508-754-3211 and Red Cab at 508-792-9999.

Campus Address: 950 Main Street, Worcester MA 01610
