at Tufts University

Invited Speakers:

Thibaut Divoux, CNRS

Christian Franck, Brown University

Linda Hirst, UC Merced

Anand Oza, NJIT

Industry Panel:

Stephen Steiner, Aerogel Technologies

Farshid Mostowfi, Schlumberger

The Workshop: The NECFW brings together researchers from academia and industry with an interest in soft condensed matter physics and biophysics to discuss their work and explore collaborations.

Sound bites: Students and postdocs are encouraged to present ~3 minute "sound bites" on recent research; if interested, please submit a sound bite title during online registration.

Location: Fletcher School, Cabot Intercultural Center
160 Packard Avenue, Medford, MA 02155

Registration: Please register online at www.complexfluids.org by Tuesday, June 13, 2017. The event is free with refreshments and lunch provided.
