

Please see this MapQuest: <https://www.mapquest.com/us/connecticut/yale-university-bass-center-for-molecular-structural-biology-449372771>. Please make sure to go to **Bass Center for Molecular and Structural Biology (266 Whitney Ave, New Haven, CT 06511)**, NOT the Bass library!

If you are taking the train, please use the free Yale shuttle—check the [schedule](#) for times. You can take the red line and get dropped off at 130 Prospect Street.

If you are driving, the easiest option is street parking along Hillhouse Ave between Schem St and Trumbull St (5-7 min walk) and pay using the parking meter. The nearest visitor parking lots are Lot 26V (200 Prospect Street or Ingalls Rink, 6 min walk) and Lot 37 (80 Trumbull Street, 10 min walk), please pay using ParkMobile or at the kiosk.
